Letter from Wm. H. Fry, esq.—the completer and musical critic of the N. Y. Tribune:

Drag Stas: I have examined your newly rented Piano-Forte. It merits all the praises given to it by Mesars. Thalberg, Gottschalk Strakock), Mason, and others. As regards structure, it is original and philosophical. In purity, volume and continuity of tone—in vocal verisimilitude, that crowning exceelence which consider the praises of the structure. For example, the property of the instrument—your square planes even deserve the hignest rank. Your invention, in my opinion, is destined to work radical changes in the manufacture of Planes throughout the World.

Linches, as you request, the Report which I drew up for the Jury of the Crystal Palace in 1853. The analysis of what constitutes the best tone for a Plane Forte, and the reasons accordingly why the highest medal was given to Erard of Paris, are

stitutes the best tone for a Piano-Forte, and the reasons accordingly why the bighest medal was given to Erard of Paris, are therein set forth. As several of the members of that Jury now are prominent in stating that your Piano "exceeds the best grand piano-fortes in pure musical intonation and actual tone power;" in a word, that it is the best Piano existing, there can be no doubt of the rank your Instrument would have taken in the World's Exposition in 1853, had it been completed in time for that occasion.

Iremain, very respectfully, yours, WM. HENRY FRY.

CARD TO THE TRADE AND THE PUBLIC IN GENERAL.

Since the dissolution of our old and well known house of P.
A. MUMM & Co., our brand has been sone what neglected in
America, and we are now[deternlend, with all our energy
ind ample means, to retake our position at once. We have

tairants to print our firm's name, J'I in Saturate to print our field wills of fare in order to avoid confusion with other similar names.

The first-mentioned wine, "VERZENAY CABINET" is a new brand expressly got up to combine our VERZENAY with our CABINET Wilk, in order to establish a quality which will surpass all the \$4.8, if not equal the \$4.8, wines that have been sent to jour country by any house. With this exquisite quality our sincere hope is, that the good tasts of the American wine drinkers will cause them to adopt this brand in preference to any other, and make it the leading wine of the country.

The second brand, "VINS DE DAMES," we recommend as exquisite for ladies' cliner and evening parties, where a dedicate fine flavored wine is required.

Our "IMPERIAL" is a favorite wine well known and needs no recommendation. Our former CABINET, in consequence of the above-mentioned junction with our VERZENAY, we will not import unless by particular request or order.

We beg to observe, that in order to distinguish our new importations from the former ones, the tabels will bear the name of our present arent, JAMES MEYER, jr., with our satograph signature on each bottle.

We will send not only for the future, but have already sent in our first shipment on the Folten and William Tell, all of our brands, without exception packed in cases to your country.

Our house in Cologue is the STAMMHOUSE OF ALL THE MEMM4, and its existence is nearly secular; our cellars there are well provided with the best RHINE and MOSELLE WINES, besides, we own some of the finest vineyands of PRINCE METTERNICH.

We respectfully recommend our wines to the patronage of our old friends and to the public in general.

CANCERS REMOVED and PERMANENTLY
CERED, without the use of the Knife, by Dr. E WHIFRET, No. 169 West 58th-st., New-York.
The remedy is purely vegetable, and enceis all others. First, in the rapidity of its operation. Second, in the slight pain and inflammation produced. Third, in the completeness of its own.
Cancers, if cured at all, must be cared quickly. The time completed in destroying the scirrhous mass by this remedy varies from ten to forty-five minutes. After its removal, the beauty process is perfected, and a radical cure obtained in from two is six weeks. It produces little or no pain, causes no nervous or sonstitutional derangement, but, in fact, relieves pain, and is the only safe and perfect remedy known. Wens, tumors, modes and birth-marks are also removed in a few minutes.
